For a recording of the most recent Lower Yukon Test Fish Catch Information please call 1 (866) 479-7387 (toll free) outside of Fairbanks; in Fairbanks call (907) 459-7387.

Note: test fishery data may be sent out with the mornings CPUE which will alter when the evening drifts are included.

a Not all drifts were conducted.

b Data interpolated.

c Preseason expansion.

Questions regarding fall season can be directed to acting Manager Christy Gleason (christine.gleason@alaska.gov), or Research Bonnie Borba (bonnie.borba@alaska.gov).

Yukon Area project updates of daily and cumulative fall chum salmon test fishery CPUEs and escapement estimates, 2021.

**All data are preliminary (subject to revision) until formally published in respective agency publications. **

**For more information on individual projects and qualifiers of the daily data please contact ADF&G at 907-459-7274.
